Our Impact

"The £1,037 raised from The Great Christmas Raffle will pay for fun day visits for 104 children! Our aim is to provide an opportunity to make lifelong memories for children whose needs or circumstances prevent them from accessing the sort of childhood experiences most of us would take for granted. A visit to CAFT provides a much-needed opportunity to have fun and laughter and to simply enjoy being children. A huge thank you to Charity Escapes!".

"The amount of money we raised through the work of Charity Escapes and the GCR this quarter will help us to care for 8 dogs and cats for a whole month. The money raised also goes towards a pet food bank, providing much-needed food care packages for all our animals. Running our veterinary care, our vet trips and more, costs a lot of money, and the work from Charity Escapes helps us keep everything running smoothly, so that we can focus on providing the best care possible for our cats and dogs".

"The £894 raised by the GCR for myaware will enable continued work in the areas of research, support and awareness of myasthenia. Whether it's providing help from a dedicated member of our Support Team, specialist counselling and emotional support, specialist benefits and welfare advice, raising awareness or funding research to find that all-important cure, this donation is ensuring our community can continue to fight myasthenia together".
